EXPERIENCE

Insurance Claim Help

Remote

Freelance Backend Developer

2026

- Collaborated as a remote backend developer to enhance and maintain platform functionalities for an insurance loss assessment service.
- Improved backend efficiency, contributing to streamlined processes for handling residential and commercial property damage claims.

EDUCATION

Pokhara University

Nepal

Bachelor of Engineering in Information Technology

2024 - 2028

Nobel Academy

Kathmandu, Nepal

Higher Secondary (+2) - CGPA: 3.57

2022 - 2024

PROJECTS

Expense Tracker API

Django REST Framework, JWT, PostgreSQL, Render

2026

- Built a secure expense management API with JWT authentication and multi-currency support for tracking personal finances.
- Implemented automated budget alerts via email notifications when users exceed monthly category spending limits.
- Deployed the API on Render with CI/CD pipeline and PostgreSQL database integration.

Content Management System (CMS) API

Django REST Framework, MySQL, JWT

2025

- Architected a scalable headless CMS API using Django REST Framework for decoupled content delivery.
- Implemented JWT-based authentication and granular permission classes, throttling, and pagination to secure endpoints.
- Optimized content retrieval using DRF serializers and filtering backends for complex data relationships.

Blog Platform

Django REST Framework, Python, PostgreSQL

2025

- Developed a robust API for blogging platform supporting full CRUD operations for posts and media content.
- Integrated secure user authentication and profile management to personalize user experience.
- Optimized database queries and designed responsive front-end components for seamless cross-device navigation.

TECHNICAL SKILLS

Languages: Python, SQL, HTML/CSS

Frameworks: Django, Django REST Framework (DRF), Bootstrap 5

Databases: MySQL, PostgreSQL, SQLite

Tools: Git, GitHub, Render, PythonAnywhere

Soft Skills: Problem-solving, Quick Learner, Teamwork

ADDITIONAL

- Languages:** English, Nepali (Native)
- Availability:** Seeking a full-time Django internship to apply backend development expertise.
